A collection of feathers in shades of red and gold on a grey background. The feathers are arranged in a cluster, with some pointing upwards and others downwards. The red feathers have a smooth, glossy texture, while the gold feathers have a more textured, downy appearance. The background is a plain, light grey surface.

The image features a complex abstract geometric pattern. It consists of various shapes including semi-circles, rectangles, and vertical bars. The color palette is limited to yellow, black, and grey. The shapes are arranged in a way that creates a sense of depth and movement, with some elements appearing to overlap others. The overall effect is a modern, minimalist aesthetic.

ANJELA Album

Code: SH2011343510

A black and white photograph of a dense forest of trees. The trees have thick, rounded canopies and are arranged in rows, creating a sense of depth. The lighting is soft, and the overall tone is monochromatic. A small bird is visible in flight in the upper left portion of the sky.
